I am writing to recommend Kooturu Kanishk Reddy for their outstanding contribution to our organization. As an Intern Position in our NGO from (20-05-2024 to 18-08-2024). In this period of time, he has demonstrated a strong commitment to skills development, which has positively impacted our organization's mission. He has shown a remarkable ability to identify areas where skills development is needed and to create effective strategies in a short period over time.

His expertise in skills development has allowed us to provide better services to the community we serve. In addition to their skills development expertise, he is also a highly motivated and enthusiastic individual who is always willing to go above and beyond to help others. Their positive attitude and strong work ethic have been an inspiration to all those who have worked alongside them

I have no doubt that Kooturu Kanishk Reddy will continue to excel in their future endeavors and make a positive impact in their community. I strongly recommend them for any position or opportunity that aligns with their skills and passion for skills development.
